Halo International proudly announces its new line of Military Service Prayer Cards. In keeping with the proud traditions of the Marines, Army, Navy and Air Force, Halo's specifically themed series will honor the deceased.

Highlights of famed military battles and identifying images will express your consideration of their sacrifice above and beyond a simple flag rendering. Additionally images from Arlington National Cemetery are highlighted in the series *Hallowed Ground*.

Be at the forefront of personalization and offer your families a truly individual tribute by stocking military prayer cards for the four most recognized services.

Since its inception Halo has been the leader in the development of life style prayer cards. The Life Style Series are appropriate for both Protestant and Catholic services. Ask your Halo representative for samples or go online to request them at www.halointcorp.com.
